

THE MONTCLAIR POLICE DEPARTMENT **POLICE EXPLORERS PROGRAM**

Have a desire to join or learn about Law Enforcement? Our Police Explorers Program is perfect for you. Here you will gain beneficial insight on the skills, tactics, and laws that our officers are equipped with. This program gives Montclair youth who are interested in learning about law enforcement the opportunity to participate in bi-weekly sessions with police officers. Officers from various units will instruct on the many different jobs within the police department.

Participants will have fun learning in a virtual environment, simulating a virtual police recruit training program, and complete physical training exercises with an emphasis on teamwork and responsibility. Our Explorers Program is open to our high school youth (Grades 9-12). Explorers will occasionally assist/participate in community events and work alongside Local, State, and Federal Law Enforcement.

Interested, contact Lieutenant Williams at (973) 509-4729/twilliams@montclairnjusa.org
