#### About Montclair Parks Recreation and Cultural Affairs Advisory Committee

The Montclair PRCA-AC is composed of representatives of local parks and "user groups." It advises the Council on matters including the following: the renovation and maintenance of facilities including parks, playgrounds, public pools, ice skating arena, municipal recreation programs and special events.

#### About North East Earth Coalition:

The Northeast Earth Coalition, Inc., (NEEC) works at the community level to protect the environment and promote local sustainability and food security. The NEEC supports the work of community and environmental activists who give hope for a better future. To accomplish this, we seek to bring together diverse environmental organizations in the Northeast to share ideas, identify common interests and provide mutual support in building communities that are sustainable in terms of food production, energy, transportation and preservation of the natural environment.
