

“INTELLIGENT MINDS”

SUMMER ENRICHMENT CAMP

for

INQUISITIVE CAMPERS INTERESTED IN FUN FILLED DAYS!!!

STEAM - STEM FUN!!!

GRADES K-5

Six weeks of engaging activities, which will include a STEAM project and exercise every day. The students will also enjoy an abundance of great activities such as: Learning how to make TIKTOK Videos, Photographs, ART with Classical Music, Engineering Activities, Learning the Science of Slime making, and many more great STEAM Activities, to keep the Little Scientists engaged in learning. Our Intelligent Campers will also engage in Sports for exercise - outdoors/indoors such as Soccer, Basketball and Baseball for Boys and Girls. These are just a few fun activities we have in store for our young “Intelligent Minds”!
